

MANAGEMENT CONSULTING SERVICES

ENSPYIRE is a full-service **Management Consulting** firm with broad service offerings to provide technical and administrative support services. Our Team works with clients to facilitate a corporate growth strategy/plan. We form nurturing relationships with executives, their leadership and team members. Our team of professionals are knowledgeable and experienced in socializing and carrying out stakeholder strategies, corporate visions, and strategic plans.

PROGRAM & PROJECT MANAGEMENT

ENSPYIRE has a track-record of providing **Program and Project Management** oversight and support services. We understand the complexity and processes to successfully execute a Program, Portfolio and Project Management service offering. Enspyire's SMEs know how to manage Government and Commercial programs using industry best practices and standards.

CYBER SECURITY SERVICES

ENSPYIRE provides **Cyber Security and Information Assurance Services** to proactively provide protection and prevention against threats with advanced technologies. We employ cyber professionals to safeguard our Clients' privacy and data. Our Cyber Defense services are predicated on industry standards to ensure risk mitigation and compliance.

SOLUTIONS DEVELOPMENT

Our **Solutions Development Services** provides Clients with the ability to plan and execute custom technology delivery using emerging technologies. Enspyire provides custom software application, mobile application, database application and other operational integration solutions that are important to your corporate strategic plan and technology investments. We use engineering and systems best practices during the SDLC and SELC process.

STAFF AUGMENTATION

Enspyire provides **Staff Augmentation** using our Talent Acquisition Management service to provide Clients with the warranted program support to execute your program delivery efficiently and effectively. We have a plethora of professionals to meet your needs.

ACQUISITION & PROCUREMENT

Acquisition and Procurement Support Services provides Contract and Acquisition Lifecycle Strategic Planning and Support. We are able to work along side your Series 1102 government personnel to provide acquisition assistance, as needed.
